

**PRESS RELEASE**

**Saksoft Inc., US a wholly owned subsidiary of Saksoft Limited, India has acquired Electronic Data Professionals, US**

**Chennai, January 1, 2013:**

Saksoft, an Information Management Specialist company has announced that it has acquired an US based Business Intelligence and Information Management company, Electronic Data Professionals (EDP). EDP has been operational for 7 years and has grown consistently well for the last few years. The terms of the deal have not been disclosed. EDP shall operate as a separate company in US becoming a direct subsidiary of Saksoft Inc, US and step down subsidiary of Saksoft Limited, India.

Aditya Krishna, CEO of Saksoft, who announced this today said " We have been impressed with the strength of EDP in the Information Management area and we believe for our US geography's growth, this acquisition is a good fit. Saksoft is investing in sales, marketing and delivery capabilities for the US market and EDP will be an additional channel for client acquisition and account management."

The acquisition is effective immediately.

**About Saksoft:**

Saksoft is a leading provider of Information Management Solutions to successful companies around the world. We deliver success to the enterprise by helping consolidate, organize and manage large volumes of data collected by businesses. Working with data sources that are often disparate and complex, we make accurate, high quality, relevant information readily available to the people that need it. By being better informed, these companies are empowered to make key decisions and implement strategies for making their enterprises successful. Visit [www.saksoft.com](http://www.saksoft.com)
