

SAP Data Services 4.0 – Platform and Transforms BODS10

This three-day instructor-led course explains and demonstrates the implementation, administration and management of data integration projects using SAP Data Services.

On completion, delegates will be able to:

Implement, administer and manage data integration projects using SAP Data Services.

Who should attend?

- Project team members with basic knowledge of Data Warehousing and data integration concepts.
- Data Warehousing consultants and project managers who work with data integration.

Prerequisites

- Basic knowledge of data warehousing and ETL (Extraction Transfer and Loading) concepts.
- Basic knowledge of the SQL language.
- Basic knowledge of elementary procedural programming.

Practical work

Practical sessions will reinforce many of the topics covered and are used extensively throughout this course. These allow delegates to have direct hands-on practice using SAP Data Services to build confidence in the techniques required to effectively implement and administer a data integration project.

Course Duration

3 days

Course Contents

- Describing Data Services
- Examining data acquisition and process chains
- Creating batch jobs for data integration
- Troubleshooting batch jobs
- Using functions, scripts and variables
- Using Platform Transforms
- Setting up error handling
- Capturing changes in data
- Using the data integrator platform transforms

Acuma Education

All Acuma courses are delivered by trainers who are highly experienced consultant practitioners. This rich project experience coupled with professional training skills helps delegates to focus on how the course contents can be put into practice in their workplace.

Acuma delivers courses from dedicated training facilities in Manchester, Birmingham and London, but also deliver training offsite using suites of laptops, with the option to customise courses to use your own business data and tailored to your exact training needs. The most appropriate training format depends upon your training objectives, number of learners, timescales, budgets and delivery logistics. Whatever your needs, Acuma will find the approach most suited to them.

Acuma Education's seal of quality is demonstrated through consistent achievement of the prestigious "Gold Standard" from the Learning and Performance Institute.
